## Things to Know Before Application

You must make sure to input correct personal information and all other documents. When a whole set of required documents are uploaded by you, the admissions office immediately starts verification by checking all information you provided. Before the admissions office starts verification, you can modify your data or documents. But, once your application is verified and approved, you cannot change it.

- You are not permitted to submit multiple applications and will be disqualified for admission if found doing so. Multiple applications are defined as having more than one registration number due to submitting multiple applications.
- IAU is not able to check the arrival status of application verification in your email. Thus, please check your registered email address within one week after application until you get the message about your application's successful submission or its rejection.
- The admissions staff reserves the right to require additional documents from you, should there be any need to clarify the eligibility or verify the authenticity of the submitted materials. You are fully responsible for any disadvantages there may incur due to errors and omissions in the information provided in the application.
